

Time to Draw

With Rosie McKeand

Class Overview

In this series of drawing sessions, we will have time to explore different art materials, skills and techniques. The subject matter will vary to provide opportunities to gain an understanding of different mark making and art materials to achieve desired results, for example still life and landscape compositions.

Space, balance and composition will be a focus within each session to promote individual drawings and creative style.

Materials List

- 6B graphite pencil
- Charcoal stick
- Fine liner pen
- Small soft water colour brush
- A3 or A2 cartridge drawing sketchbook 150gsm or higher.
