

## **PAINTING WITH FRIENDS**

---

Painting with Friends groups meet together in a supportive environment to continue their art, encouraging and learning from each other. They paint, draw, print, use collage etc. to create art without a tutor. Participants share their experiences and enjoy the company of fellow artists in an informal atmosphere. We are always keen to make new friends and welcome new members to our groups.

As these untutored groups meet on Tuesdays and Thursdays please ensure that you include the correct ID for the group you want to join if doing a bank deposit.
